### **NORTH WALES FIRE AND RESCUE AUTHORITY EXECUTIVE PANEL**

**15<sup>th</sup> November 2007**

#### **WELSH ASSEMBLY GOVERNMENT CONSULTATION ON A PROPOSED PERFORMANCE MEASUREMENT FRAMEWORK AND PERFORMANCE INDICATORS FOR FIRE AND RESCUE AUTHORITIES IN WALES**

**Report by Dawn Docx  
Assistant Chief Officer (Finance and Procurement)**

#### **Purpose of Report**

- 1.** To present, for approval, a draft response from the Authority to a Welsh Assembly Government consultation on a proposed new Performance Measurement Framework and Performance Indicators for Fire and Rescue Authorities in Wales.

#### **Background**

- 2.** As part of the Fire and Rescue Service National Framework, the Welsh Assembly Government (WAG), working with stakeholders including the three fire and rescue services, has drawn up a performance measurement framework for Fire and Rescue Authorities (FRAs) in Wales, which includes four groups of performance indicators.

## **Introduction**

- 3.** The proposed performance management framework and two groups of performance indicators – National Strategic Indicators and Core Indicators - are presented for comment in the consultation which continues until December 20<sup>th</sup> 2007. A copy of the consultation document is attached for members' information as Appendix 2.
- 4.** The consultation invites the Authority to comment on three key questions relating to the proposed framework, and on the detail of the proposed indicators.

## **Information**

- 5.** A draft response from the Authority is appended.

## **Recommendation**

- 6.** That Members consider and approve the draft response in Appendix 1 and authorise the Assistant Chief Officer (Finance and Procurement) to submit the approved response on their behalf to the Fire and Rescue Services Branch before December 20<sup>th</sup> 2007.
